Modern living on the Avenue.

A striking design in a desired location.

Long regarded as one of the City's most prestigious streets, Avenue Road will welcome the addition of **609 Avenue Road** and its modern architecture, with a look reflecting the fresh design thinking of its development team. The distinguished selection of suites have been thoughtfully designed for the most discerning of purchasers.

Developed by State Building Group and Madison Homes to exceed customer expectations, **609 Avenue Road** is an elegant collection of sophisticated condominium residences offering affordable luxury just steps from the stately mansions and tree-lined streetscapes of one of the City's most exclusive neighbourhoods – Forest Hill.

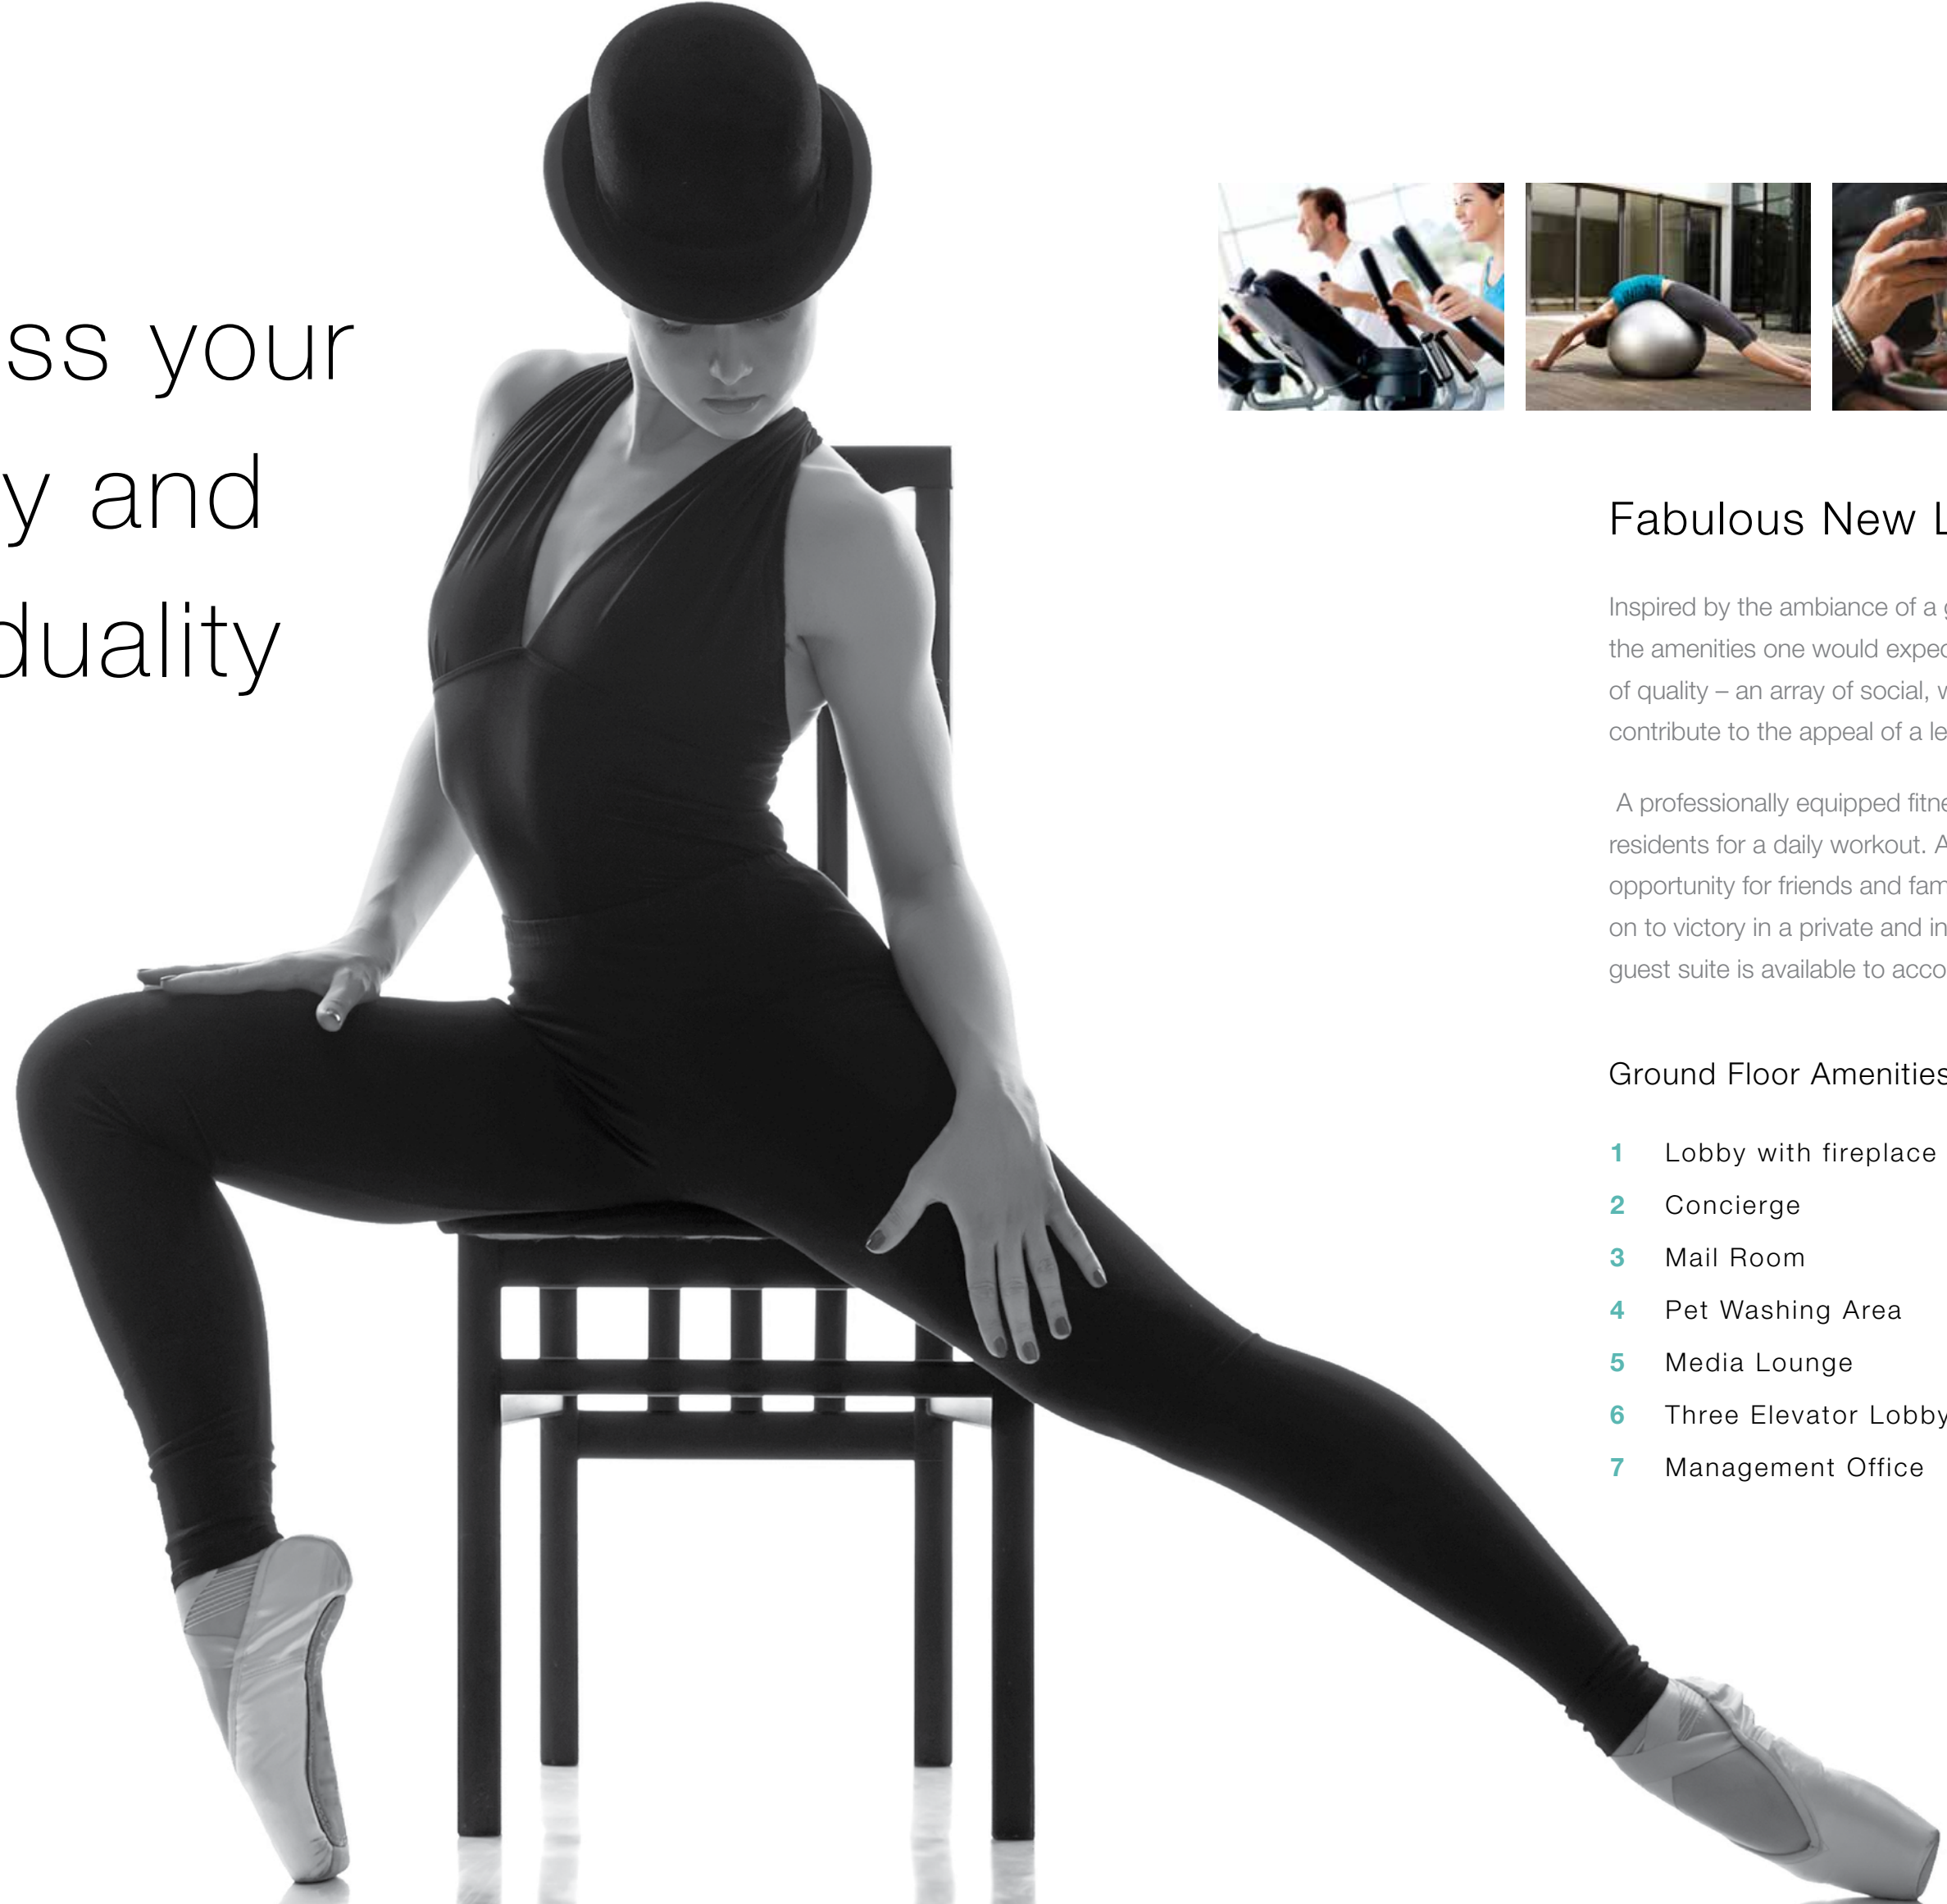

609
Avenue Road

Just beyond the intricate pattern of the brick driveway and the lush landscaped entrance, residents and guests will enter *609 Avenue Road* under a gracious glass canopy. With classic granite walls flanking either side of the stately entry, a world of luxury and refinement awaits within.

Upon entering *609 Avenue Road*, you and your guests will be greeted by a 24/7 Concierge in a lobby that captures the exquisite design aesthetic of the residences. The focal point is the marble-clad fireplace and elegantly furnished seating area, offering a truly impressive sense of comfort and arrival.
